Your Wedding Reception at The County Club

At the County Club we realise that your wedding day is a very special occasion. Here at the County Club we do everything to ensure that your day is as relaxing and enjoyable as possible. Our fully trained staff have many years experience.

The Perfect Air of Romance

The County Club offers excellent wedding services in Guildford, in the heart of Surrey. We are situated on Guildford's historic High Street, next door to the Holy Trinity Church and within $\frac{3}{4}$ of a mile from the registry offices.

We are two minutes walk from the beautiful landscaped gardens of the Castle grounds whose gardens lend the perfect air of romance for those all important photographs.

First Class Cuisine

The County Club will provide you with first class cuisine. Our Head Chef is proud to offer you a tempting selection of menus that have been carefully chosen to suit all tastes; please contact our wedding co-ordinator for details of vegetarian dishes.

Stylishly Decorated Rooms

The County Club has a choice of four function rooms, our largest and most grand being the Doric Suite. This is the jewel in the crown of The County Club; it has its own reception area for welcoming guests and access to a charming courtyard, which can be lit up at night by lanterns and candles providing an enchanting atmosphere and great photographic opportunities.

The Wodehouse Room has exposed beams and is connected, by double doors, to the Abbot room, which makes a superb reception area with views of the High Street and the Surrey Downs beyond from its bay window.

The Carroll room, our smallest function room, has a wonderful antique oval table which seats up to 14 people and has a vaulted ceiling with original exposed beams.
